Application deadlines

In order to receive current rates:

- The application's Initial Submit Date¹ must be on or before **August 6, 2026**.
 - Physical signature dates do not apply to electronic submissions.
 - For paper applications, the client must sign the application on or before **August 6, 2026**.
- The application must be received at Athene* by market close (3 p.m. CT) on **August 20, 2026**.
 - If your back office requires the use of an order entry platform, Athene must receive the electronic order by market close (3 p.m. CT) on

August 20, 2026. Copies of the paper application without the electronic order will not hold the current rates.

- If the application is being funded from a firm brokerage account, your firm must be able to submit both the funds and electronic application by market close (3 p.m. CT) on **August 20, 2026**.
- The contract must be in good order, suitability review complete (if applicable) and all funds received at Athene² by market close (3 p.m. CT) on **October 6, 2026**.

¹ The Initial Submit Date is the date you first submit an electronic order to Athene or, if applicable, to your back office. Please check with your back office to determine the appropriate submission process.

² **Please Note: Athene's rate lock period begins on the rate change effective date. If you submit applications through your firm's back office, please allow for additional processing time in order to meet the deadlines listed above.**

Revised materials will be available on the Forms and Materials page beginning **August 7, 2026**. Be sure to use up-to-date materials when offering Athene annuities. You may experience slight processing delays on any print orders in the days before or after a rate change effective date.
